This drop down window shows all the products under a specific brand

The screenshot shows a web application interface for managing products. At the top, there's a header bar with a logo, company name 'Billy Bob's Parts', a 'Certified' badge, and a tagline 'BillyBob Bumpers are the best bumpers ever!'. Below this is a tabbed interface with 'Products' and 'Price Sheets'. The 'Products' tab is active, showing a table of products. The table has columns for Part Number, SKU, Head Office, Warehouse, Base Price, Active, Image, Fitment, Mecka B2C B2B, eBay .com .ca, Weight, and Length. There are also search filters for each of these columns. The table lists several products, including 1111, 1111A, 1234, 12345, 1234567, 20202020, 2WM, 555444666, 5678, and 797. At the bottom, there's a pagination bar showing '1 - 10 of 59 items' and a '10 items per page' dropdown.
